Are Standards Provided?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No	
If yes - Please Describe (e.g. footpath width, gradients etc.)			
Topics of the guideline	The legal context for independent living for disabled people (existing laws, policies and strategies); Agents for promotion of independent living; Progress towards independent community living; Types of support for independent living in community; Personal assistance services; Assisting equipment and adaptations.		
Description of the guideline	One of the national priorities in the social services field is removal of barriers in the physical environment where social services are provided and ensuring the material and technical conditions in social services facilities. Commitments to ensure a barrier-free environment are incorporated into Act No. 50/1976 Coll. on the Field Planning and Building Code (the Building Act). More detailed requirements are laid down in the implementing Decree No. 532/2002 Coll. on the details concerning the general technical requirements for the construction and general technical requirements for the constructions used by persons with reduced mobility.		
Execution (one pick only)	<input checked="" type="checkbox"/> Advisory	<input type="checkbox"/> Partly mandatory	<input type="checkbox"/> Mandatory (Legally binding)
