Description of the guideline	The directive deals with special provisions for vehicles used for the carriage of passengers comprising more than eight seats in addition to the driver's seat. In Article 3, it says: "1. Vehicles of Class I shall be accessible for people with reduced mobility including wheelchair users according to the technical provisions laid down in Annex VII. 2. Member States shall be free to choose the most appropriate solution to achieve improved accessibility in vehicles other than those of Class I. However, if vehicles other than those of Class I are equipped with devices for people with reduced mobility and/or wheelchair users, they shall comply with the relevant requirements of Annex VII." Most interesting for questions of access are Annexes I, III, and VII.
