Are Standards Provided?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
If yes - Please Describe (e.g. footpath width, gradients etc.)		
Topics of the guideline	The law states that the lack of "reasonable adaptations" to the physical environment of public places is equal to discrimination.	
Description of the guideline	The law states that the lack of "reasonable adaptations" to the physical environment of public places is equal to discrimination. The concept of "reasonable adaptations" was established in the guideline of the European Union on the rights to decent work of persons with disabilities. The concept entails that in a concrete situation, depending upon the needs, adequate measures should be made so that a person with disabilities will be integrated professionally and/or socially.	
Execution (one pick only)	<input type="checkbox"/> Advisory	<input type="checkbox"/> Partly mandatory
	<input checked="" type="checkbox"/> Mandatory (Legally binding)
